Scholarships to be Awarded to 57 Students

We are pleased to announce that we will be awarding \$66,000 in financial aid to 57 deserving students studying to be Missionaries of the Sacred Heart Priests. All our members and supporters know that our only mission is to provide scholarships. We are grateful to them for allowing us to “accomplish our mission” again this year.

Our Scholarship Committee received a total of 95 applications from nine different countries including: United States, Colombia, Brazil, Cameroun, Fiji, India, Indonesia, Mexico and Papua New Guinea. It is a difficult task choosing the most deserving applicants because all are deserving. We were fortunate however to have the majority of the applicants be well along in their studies. Most of them are Theology students who have completed at least six years of secondary education. Many have received assistance from us in past years.

Your Foundation has distributed well over one million dollars over the past 40 years. Thank you again, for making it all possible. Some day a priest we educate over there may serve your parish here.

Oscar Rodriguez Loreto, MSC, is completing his fourth year of Theology studies in Mexico. His superiors say that he has a good disposition for community service and that he is a natural leader. Soon he will become an asset to his community as an MSC priest. He will receive a \$1000 SHF Scholarship.

Raimon Eusebius Fasak, MSC, is finishing his second year of Theology courses in Pineleng, Indonesia. He first went to school at a seminary to please his family. He says his vocation grew day by day and he is looking forward to taking his final vows. He will receive a \$1000 Scholarship.

### ADDRESS CORRECTIONS

We try to keep our mailing lists up-to-date. From time to time we need your help in updating this list. Let us know if we need to correct your information or if you hear of someone not receiving their newsletter. Call Nick at the Office to let us know of changes. Thank you.

### Many Ways to Leave a Lasting Gift

We have talked in the past about lasting gifts. It has been suggested that people remember us in their will or that they pledge a portion of their IRA. We are grateful, however, to those who have chosen their own simpler way to leave a legacy.

A retired member designated a percentage of the proceeds from the sale of her home to the Sacred Heart Foundation. Several donors have chosen to contribute every month with an automatic deduction (check) from their savings or investment accounts. Family members of Foundation deceased supporters have honored their loved ones by giving a portion of an estate. Others have donated a scholarship in a family member's name. We still receive gifts that members have specifically left us in their will.

The important thing is that we are remembered. These legacy donations insure that we continue to have funds available to provide scholarships to deserving students. We ask all our supporters to simply consider leaving a lasting gift to help others.

This year we are pleased to have Rev. Terry R. LaValley, Bishop of the Diocese of Ogdensburg as our featured speaker. The bishop was ordained to the Priesthood in 1988. He also studied Canon Law at St. Paul's University in Ottawa, Ontario, Canada. In addition to many diocesan positions, he has served in numerous churches in the area.
