President's Remarks

As the Sacred Heart Foundation begins its 54th year we need to stop and remind ourselves of our mission and our successes. The Sacred Heart Foundation spreads the word of God by raising funds which provide financial assistance for the education of those studying to be priests and brothers of the Missionaries of the Sacred Heart anywhere in the world. As of December 31, 2019, we have awarded over \$1.95 million dollars to 2,168 recipients. All of this is because of you, our members! We need to work harder than ever before to be able to continue the fine work we have started. I would like to thank Immediate Past President Tom Bruno and the Board of Directors for all of their hard work and dedication to the Foundation. It is now up to all of us to continue forward. This year is going to be another great year for the Foundation. The preparations for the 5th annual Frank Caprara Memorial Golf Tournament are well under way with a bigger and better event than in the past. Our 47th annual Dinner is also shaping up to be an exciting time. Newly installed Bishop of Syracuse, Bishop Douglas Lucia will be the dinner's featured speaker. Please watch your mail for more information on these events as they get closer. Thank you again for your continued support. The Foundation's work is very important and all of you make it happen.

**If you are considering a charitable contribution this year, it is in your best interest to seek out the most effective manner in which your money can work for you. Gifting appreciated stock is one of the most effective means of tax savings available. There are three benefits for you to consider: 1) The satisfaction of knowing your money is invested in a cause important to you. 2) Capital gains taxes on the stock are avoided. 3) You will be eligible to receive an income tax charitable deduction for the full fair market value of the stock at the time of the gift.**

**To qualify for these special tax advantages, the security must have been held for at least one year. Your gift of appreciated stock is fully deductible up to 30% of your adjusted gross income. For example, if your adjusted gross income is \$100,000, up to \$30,000 of long term appreciated stock and other capital gain property may generally be deducted, although high income donors may be subject to a partial phase out of itemized deductions.**

**Oh, no! That was our last Foundation Card!**

## Getting to know our MSC - Fr. Joseph Christy, MSC

Fr. Joseph Christy was born in Bangalore, India in a family with five brothers and one sister. "I grew up in Bangalore. My family is a traditional Catholic family who attended Mass regularly and prayed every day. They used to pray for vocations in family prayers." [From an interview with The Mexican American Catholic College] He was ordained on June 20, 2001 in Bangalore. He served as Asst. Pastor and Pastor in various churches around Bangalore. From 2005-2009 he served as Superior of the Formation House for Pre-Novitiate before being appointed Union Superior for three years. At the end of April 2014, he arrived in the United States and began parish ministry as Parochial Vicar at St. Patrick/St. Anthony Parishes in Watertown, NY. He loved this first experience in our country, especially the Watertown parishioners and the beautiful places to visit.

He held that position for 2½ years, before moving back to India to defend his thesis for his Master's Degree in Canon Law. On July 1, 2019 he was assigned to work in the United States again as Parochial Vicar at St. Catherine of Alexandria, Riverside, CA, a multicultural, multilingual community. Because the Spanish language is a pastoral need there, he participated in an Intensive Pastoral Spanish Program in Texas. Fr. Christy loves being a priest. Despite the many cultural challenges he faces, he states "it is the grace of God that inspires and energizes me to do His work among the people of God." What Fr. Christy says he likes best about California is "the climate is very similar to [my] hometown and no need to get up early to check how much snow is present to clean my way to the church." This is a sentiment with which everyone in Northern New York can empathize. There are several other MSC priests working in this community from many areas of the world including Philippines, Indonesia, Korea, and 2 more from India as well as 2 who serve the Native American Reservation in Soboba and 3 who belong to the USA province in Palm Springs. How very fortunate we are to have so many MSC priests to help in our country. Fr. Christy has had some very sad days since he has been in the US; his mother passed away this past August and his oldest brother just this March. Fr. Christy returned to India briefly for each funeral and is now back in California. Thank you, Fr. Christy, and all your fellow MSC priests as well. God Bless you all.

## Getting to know those YOU support

Cristihan Camilo Huertas is from Córdoba, Colombia. Cristihan tells us what attracted him to the Missionaries of the Sacred Heart. "What I like the most of this community is [the] love [of] my vocation, finding myself, and the knowledge of God and the love of this congregation. I also like to share in the pastoral service with people developing dynamics in which the objective is to learn from each other." During his free time, Cristihan enjoys speaking with community and listening to those who need it. Some of his hobbies and interests are sports, cycling, soccer, writing, and computers. Cristihan is in his first level of religious formation.

Lucas Martins Ferreira Figueiredo is from Belford Roxo, Rio de Janeiro, Brazil. Lucas tells us what attracted him to the Missionaries of the Sacred Heart "I lived a Christian initiation (catechesis) with great success and had an intense interest to know more about the life of our Lord Jesus Christ and his Church, as well. Last year I was invited to enter the Minor Seminary in the Congregation of the Missionaries of the Sacred Heart. With great joy I accepted. I am concluding my third year in the seminary, moved by the spirituality of the Sacred Heart of Jesus, by the support of my family, and by the indispensable encouragement of all the people of God." This year Lucas will be entering another stage, the Postulancy.

Please keep Cristihan and Lucas as well as all of our scholarship recipients in your prayers as they continue their studies. Thank you for all your support. It is through your donations that we are able to provide the financial support they need.

### *Mission Statement*

*The Sacred Heart Foundation spreads the word of God by raising funds which provide financial assistance for the education of those studying to be priests and brothers of the Missionaries of the Sacred Heart anywhere in the world.*
