## Ruth Condon Memorial Scholarship

Recently the Sacred Heart Foundation received a bequest left by Ruth Condon. Her dedication and support of the Sacred Heart Foundation and our mission will be perpetuated yearly in a named scholarship in her memory. This marks the 51st named scholarship that the foundation gives out yearly to seminarians studying to be priests of the MSC.

### If you are over age 70 ½, Here's why you should donate directly from your IRA

Are you turning 70 ½ this year? Has your financial institution told you that you have to take a required minimum distribution from your IRA? Are you thinking to yourself, "I don't really need that money"? If so, it may make sense to call your financial advisor and ask her to set up a charitable distribution directly from your IRA.

Individuals over age 70 ½ can donate up to \$100,000 from an IRA directly to a qualified charity without triggering any federal income taxes. Under the qualified charitable distributions provision, you request a distribution from your IRA and provide your financial advisor with the name and address of the qualifying charity. The distribution can be sent directly to the charity of your choice...like the Sacred Heart Foundation!

There are a number of potential tax benefits to you for making a charitable contribution directly from your IRA.

Income tax on the distribution is avoided, even if you do not itemize deductions and even if your gifts exceed the percentage of income limits for charitable deductions.

The distribution does not increase your adjusted gross income for purposes of reducing itemized deductions, nor does it limit the amount of deductible medical expenses or miscellaneous itemized deductions or increase the taxation of your Social Security benefits

If the state you live in determines taxable income based on federal adjusted gross income, there is no state income tax on the distribution, even if the state does not allow the charitable deduction

Maybe now is the time to speak to your financial advisor or tax professional to see if a gift to the Sacred Heart Foundation directly from your IRA makes sense for you.

## **Getting to Know Those You Support Scholarship Funds for 2018 Reach Beyond Borders**

**Eugenio Filho from Santa Catarina Brasil. Before he joined the MSC he was a teacher of special and inclusive education. Eugenio tells us that he was enchanted by the spirituality of the MSC and the simplicity of life. Besides his studies he enjoys soccer, hiking, and participating in community life. Eugenio recently celebrated his 30th birthday and is currently in his third year of theology studies.**

**Mateus Borodiak from Parana Brasil. After spending time as a child participating in Missionary Childhood with the MSC and getting to know them better as an adult Mateus decided to join the MSC in 2016. He is interested in music, art, photography, poetry, and currently is focused on his philosophy courses.**

**Please keep Eugenio and Mateus as well as all our scholarship recipients in your prayers as they continue in their studies. Thank you for all your support it is through your donations that we are able to provide the financial support they need.**

### ***Mission Statement***

*The Sacred Heart Foundation spreads the word of God by raising funds which provide financial assistance for the education of those studying to be priests and brothers of the Missionaries of the Sacred Heart anywhere in the world.*
